

# STUDY VISITS OF STUDENTS

## THE VET SYSTEM IN ITALY: EXPERIENCES AND IDEAS FOR VOCATIONAL TEACHER TRAINING

(25.04.2022-08.05.2022, including arrival and departure,  
University of Roma Tre)

**Target group:** students of the Ukrainian partner-HEIs who are enrolled on the daytime department and have intentions to pursue a career as a vocational teacher

**Goal:** to introduce the students to the system vocational training in Italy and to the paths through which teachers and trainers involved in technical and vocational training build their professional competence.

**Number of students:** 2

**Duration:** 14 days, including arrival and departure

**Expected outcomes:** students

- acquire knowledge on the vocational training system and teacher training processes in Italy;
- contribute to the establishing of partnership-governance at the respective HEI (details defined by the respective project team) (e. g. by sharing the experience of having school practice with younger peers; disseminating the gained knowledge etc.);
- can provide students' perspective on the necessary improvement in vocational teacher training system at the home university;
- can apply gained knowledge and experience in the studies.

**Requirements for participation:**

- be a student at the daytime department of the Ukrainian partner-HEI in the specialisation "Vocational Education. Specialisation";
- finish at least two semesters in the specialisation "Vocational Education. Specialisation";
- be motivated to contribute to the improving vocational teacher training at your university;
- be ready to act as a "field agent" and cooperate with the project team on providing the students' perspective of vocational teacher education;
- have the English language proficiency at least B2 level. A basic knowledge of the Italian language is not mandatory, but it could be advantageous;
- meet the entry requirements for Italy.

The respective project team depending on the situation at the HEI may apply additional criteria.

**Tasks upon the completion of the study visit:** write a report on your experience of the study visit; present or disseminate your experience to your peers during a workshop, conference, chair meeting etc.; contribute to the implementation of the partnership and cooperation mechanisms implemented at your university (as required by the project team at your university); apply the gained knowledge and experience in your studies.

The respective project team of the Ukrainian partner-HEI may add other tasks.

The organisation of the selection process is coordinated by the contact person of the respective HEI.
